Information for Students & Parents

The school virtue for the month of September is **UNITY**.

Unity involves respect, great love & service to every person, race, culture and especially the most vulnerable.

One way to show unity: Pray for the world, peace in countries and for anyone needing prayers.

Juniors that want to take the **PSAT** need to sign up with Mr. Hutton and pay the \$14.00 fee before October 4th. After the 4th registration will be open to underclassman until October 11th. The test will be administered on October 12th.

Seniors, a lot needs to happen in October. You need to make application for admission, scholarships, and housing to the schools you are considering before November 1st. Also, most of the schools have special senior visit days scheduled in October. These are GREAT opportunities to gather the information you need to make your final decisions. Check with the schools for their deadlines and events.
